    - National Information System for the Sector Directorate
      - Information Section
      - Statistic and planning Section
      - Geographical Information Systems (GIS) Section
      - National Registry Section
    - Legal Affairs Directorate
      - Consultations and Cases Section
      - Contracts and Agreements Section
      - Legal Follow-up Section
    - Laboratories Directorate
      - Radiological Monitoring Stations Section
      - Measurements and Testing Section
      - Radio chemistry Section
    - Costs and Pricing Directorate
      - Electricity Tariffs Section
      - Financial Performance Analysis Section
      - Economy Section
      - Section of Pricing of Petroleum Derivatives and Natural Resources
  - Administration of Natural Resources Affairs
    - Petroleum and Oil Shale Directorate
      - Petroleum Section
      - Oil Shale Section
      - Strategic Minerals Section
    - Mines and Quarries Directorate
      - Studies and Mines Licensing Section
      - Studies and Quarries Licensing Section
      - Mines and Quarries Follow-up and Inspection Section
      - Mines and Quarries Products Quality Control Section
      - Management of Mining Rights and Prospecting Licenses Section
  - Administration of Radiological and Nuclear Affairs
    - Radiation Protection Directorate
      - Medical Section
      - Industrial Section
      - Radiation Exposure Section
      - Follow-up and Inspection Sectiont
    - Nuclear Security Directorate
      - Borders Monitoringl Section
      - Radiation Detection Systems Section
      - Nuclear facilities Security and Emergency
      - Development and Sustainability of Nuclear security Regime.
    - Nuclear Safety Directorate
      - Research Reactors Section
      - Nuclear Power Reactors Section
      - Nuclear Fuel Cycle Section
      - Nuclear Safeguards Section
      - Radiological Safety Section
      - Inspection and follow up section
      - Nuclear Studies and Research Section
  - Administration of Energy Affairs
    - Natural Gas Directorate
      - Natural Gas Distribution Section
      - Natural Gas Transmission and Handling Section
    - Crude Oil Products Directorale
      - Oil products Distribution Section
      - Refining Section
    - Electricity and Renewable Energy Directorate
      - Electrical Energy Section
      - Renewable Energy Section
      - Energy Conservation Section
      - Energy Studies and Research Section
      - Follow-up and Inspection Section
